Lifejackets

Location: Kelso - It is recommended that campers aged 7 and under wear a lifejacket while participating in swimming at the beach. It's at the discretion of parents by selecting 'Yes' or 'No' to wearing a lifejacket while swimming when registering for camp. Any changes in your child's lifejacket status must be put in writing and forwarded to a Planet Kids staff member/bus monitor. When campers are taking part in any boating activities a lifejacket will be worn throughout the activity.

Location: King's & St. Mildred's-Lightbourn School - Campers 9 years of age and under are required to wear a lifejacket while swimming to meet the ratio or supervision requirements set by Municipal Pools. Campers 10 years of age and older are required to pass a swim test to be allowed to swim without a lifejacket.

Campers are very well supervised during swim times by both Planet Kids trained staff and certified lifeguards. Lifejackets are mandatory for all campers & staff while using canoes, kayaks or paddle-boats.

Our lifejackets accommodate children up to 90 pounds. If your child is greater than 90 pounds you will be required to provide your own lifejacket

Medication

If your child requires medication while at camp a Medication Release & Permission to Administer Form is to be completed. The form is to be completed at the start of each week they are attending. Medication is kept with the staff working in your child's group, unless it needs to be kept cold. Medication along with the form is to be handed to either the bus monitor at your child's bus stop or to the Camp Directors at morning sign-in, please have medication in a sealed ziploc bag with your child's name on it. If your child is a returning camper, please ensure his/her medical information is updated each year.

Please note: we only accept the daily dosage amount each day.

EpiPens & Asthma Inhalers

Asthma Inhalers and EpiPens are the only medications that must remain in possession of the campers, that require them. Campers that will be carrying an EpiPen or inhaler will be given a yellow ribbon, which will be attached to their backpack to identify they have medication in their bag. This ribbon will be kept on the campers backpack for the week. The medication release and permission to administer form still must be filled out.

Campers With Exceptionalities

Planet Kids welcomes campers with Special Needs/Exceptionalities into our programs. In order to provide the best possible camp experience for your child we ask that parents/guardians provide us with information about how to best support your child ie; campers strength's, needs, strategies etc.

As a general rule if any of the following apply to your child it is recommended that he/she attend camp with a support worker, so they have the same level of support while at camp.

- extra support is required at school
- require additional support when dressing and toileting
- your child is associated with a support agency

If you plan to send your child to camp with a support worker, please inform us of this before your child's week(s) at camp.

Unfortunately Planet Kids is not in a position to provide campers with a support worker.

Please Note: Planet Kids Staff are not able to help children with toileting

Walking Home

We prefer that all campers arrive at and leave from their bus or camp location with their parent/caregiver. If however your child is at least 12 years of age and you intend for them to walk, you are required to sign and submit a Parent Consent to our staff in advance. This consent is found on our Note to Camp Form. Campers without the proper consent will not be permitted to leave their camp or bus location on their own, regardless of their age. Thank you for your co-operation.

Food

For the safety of campers and staff with life-threatening food allergies, foods containing any type of nuts, nut by-products, or peanut oil are not permitted at camp. Campers are not allowed to share any food with fellow campers. Please stress the importance of this with your child in advance.

To reduce litter, we strongly encourage the use of litter-free packaging such as reusable containers and stainless steel drinking bottles for your child's food and beverage storage.

Electronics

Ipods, Cell Phones, Nintendo DS, are a few of the many electronics we do not allow at camp. These items are very valuable and if brought to camp, will be taken away for the day by the Director and kept with him/her until the end of the day. Planet Kids will not accept responsibility for lost or stolen items.

Early Registration Discount

Early Registration Discount is not valid on Counsellor-In-Training Registrations or March Break Camp Registrations.
