

Planet Kids COVID Protocols & Policies 2021

| | |
|--|---|
| <p>Camp Groups/Cohorts</p> | <ul style="list-style-type: none"> ● Group/cohort sizes will be between 10-15 campers, in some cases groups may have up to 20 campers. In any case the number of campers per group will be below what the Ministry of Health outlines. ● Once camp is in session campers cannot change groups/cohorts ● Groups/Cohorts will not mix with one another |
| <p>Health & Safety Measures</p> | <p>Practice Hand Hygiene</p> <ul style="list-style-type: none"> ● Before entering any site, campers & staff will be asked to sanitize their hands ● Staff will be provided with hand sanitizer to be used throughout the day with their campers ● Before and after any activities where equipment is used, campers will be asked to sanitize their hands |
| | <p>Physical Distancing</p> <ul style="list-style-type: none"> ● groups/cohorts will maintain a distanced of at least 2 meters between one another ● Social distancing between directors and parents at camp arrival and dismissal will be maintained ● Staff will be encouraged to run games with their group that can be played at a safe distance |
| | <p>Masking General</p> <ul style="list-style-type: none"> ● During any interactions with parents Directors/staff will be required to wear a mask ● During any interactions with campers when a 2 meter distance cannot be maintained staff will be required to wear a mask ● Campers in our Kinder Max, Kinder Krafts, Kinder Scientists will <u>not</u> be required to wear a mask at anytime <p>Masking Indoors</p> <ul style="list-style-type: none"> ● All staff will be required to wear a mask while indoors. ● Campers will be required to wear a mask while indoors with the exception of campers enrolled in our Kinder Krafts, Kinder Max and Kinder Scientists programs, who will not be required to wear a mask. <p>Masking Outdoors</p> <ul style="list-style-type: none"> ● When outside and social distancing from other groups, staff, and campers can remove their masks unless they cannot maintain a safe distancing from one another within their group during an activity. |
| <p>Screening of Campers & Staff</p> | <ul style="list-style-type: none"> ● PK staff will be required to complete the daily staff health screening online before arriving at camp ● Parents /guardians will be required to complete the daily camper health screening prior to arriving at camp with their child(ren). Screening cannot be completed earlier than 6:00 am the day of camp. ● Upon arrival at camp, PK Directors will verify the health screening for each camper |

| | |
|--|---|
| | <ul style="list-style-type: none"> ● If the online screening has not been completed, a Director will complete it with the parent/guardian which will include a temperature check. ● Once check-in has been completed with the Director, campers will be walked back to their camp group and introduced to their staff. ● A link to the health screening form will be emailed/texted at the beginning of the week, the same link can be used throughout the week ● If your child feels unwell or if you have selected 'Yes' to any of the screening questions we ask that you keep your child at home ● Scan the QR Code below to access the Daily Screening Form <div style="text-align: center;">  </div> |
| <p>Camp Arrival & Dismissal</p> | <p>Camp Arrival Procedures</p> <ul style="list-style-type: none"> ● parents & campers will follow the directional signage to our sign-in table, confirming with the Site Director that their screening form has been completed. ● If the screening form has been completed, campers will then be asked to sanitize their hands and will be taken through the facilities to their group ● If campers require medication while at campers, parents will be asked to seal it in a ziploc bag and place it in the medication container with the Site Director. |
| | <p>Camp Dismissal Procedures</p> <ul style="list-style-type: none"> ● To limit contact and congestion around our sign-out area, parents/guardians will be required to stay in their vehicle and text their Family Pick-Up Code, to the location phone number. ● Upon the Directors receiving the notification of the parent/guardian arrival the camper(s) will be brought out to the pick-up area. Parents will then confirm the family pick-up code with the Director and be on their way. ● If a child is being picked up by someone other than the primary parent/guardian the alternate pick-up person will need your family pick-up code. We ask that should someone else be picking up your child when completing the daily health screening, that you indicate the name of the person/family picking up. |
| <p>Cleaning & Disinfection</p> | <ul style="list-style-type: none"> ● Shared spaces such as washrooms will be cleaned & sanitized between every use ● Staff will carry hand sanitizer to be used before and after activities that campers are sharing equipment |

| | |
|--|---|
| | <ul style="list-style-type: none"> ● Equipment will be assigned to groups for the week and will be sanitized before and after use ● At the end of each day all equipment will be cleaned and sanitized, ready for use the next day ● Frequently touched surfaces will be sanitized throughout the day |
| Classrooms & Spaces | <ul style="list-style-type: none"> ● Each group/cohort will be assigned to a designated space/classroom at the location ● Shared spaces such as field space, will be time blocked for each group, so a safe distancing between groups using the space at once can be maintained |
| Managing Children and/or Staff with COVID-19 Symptoms | <ul style="list-style-type: none"> ● if a child or staff member starts to feel unwell or starts to shows more than 2 symptoms or if they have a fever while at camp, they will be removed from the group and brought to our designated isolation area ● parents/guardians will be called, and will need to come pick up their child/staff within the hour. ● while in the isolation area any interaction with the child/staff will only be done by our Site Director, wearing PPE. ● a full cleaning and disinfection of area will be completed upon the child/staff member leaving ● It is recommended that the child/staff be tested for COVID-19 and await the results until returning to camp. |
| Documentation and Reporting | <ul style="list-style-type: none"> ● Daily attendances will be taken and kept via the PK Attendance APP, shared between PK staff, Directors and our Planet Kids Office ● Any special guests or visitors at camp will be required to complete the screening form and documented ● Cleaning logs will be kept |
| Vaccination | <ul style="list-style-type: none"> ● While it is not mandatory it will be highly encouraged that eligible staff and campers receive the first dose of the COVID-19 vaccination as soon as possible and at the earliest possibility before camp starts. |
